Congratulations On behalf of the Georgia Smoke Diver Association Board of Elders. You have passed the Georgia Smoke Diver Qualification Test and are now officially a candidate in Class #41. In the next few days the candidate application package will be posted on our website. This package must be completed and returned by February 15, 2010. Until the package is posted, here a few things to work on:

- All candidates must have a physical and your physician must sign documentation certifying you are capable of participating in the Smoke Diver Program. Make an appointment with your doctor as soon as possible.
- Download and read the Georgia Smoke Diver Nutrition Guide.
- The fee of \$350 must be paid by February 15, 2010. Please make arrangements for this payment now. If payment is not received by the due date, your name will be removed from the roster.
- Monitor [www.georgiasmokediver.com](http://www.georgiasmokediver.com) for more information.

Train hard – there are only 6 weeks until the class begins!
